Smiti Malik is the vocalist of Delhi-based band *Kitchensink*. She has trained in Hindustani as well as Western vocal styles and draws inspiration as a singer and song-writer from Jazz and Blues as well as Contemporary Folk music. Also a session musician, she has shared the stage with artists like The Aditya Balani Group and Nishad Pandey, and is one half of 'Chayan and Smiti', an all-acoustic set up that she shares with vocalist and songwriter Chayan Adhikari.

Adhir Ghosh is a session-guitarist, composer and music teacher. He plays full-time with two bands - *Five8* (Funk/Rock) and *Kitchensink* (Jazz/R&B); and has also performed with Artists Unlimited, The Yellow Brick Project, Classic Collective, MAP, Vasundhara Vee and others, which has gained him the reputation of being one of first-call guitarists in the city. He is also a music educator and teaches both privately and at Global Music Institute, one of the premier music institutes in Delhi.

Our guitar and voice duo-set features a range of jazz and blues standards, with swing tunes made famous by singers like Ella Fitzgerald, Nina Simone, Billie Holliday, Louis Armstrong and others. We also include contemporary Jazz voices like Norah Jones, Madeleine Peyroux and Melody Gardot. In addition to this, our set features some exciting arrangements of pop tunes and original songs!
